

As the need for **consistent, deployable training solutions** increases, the Patriot Products Iron Maiden answers the call. Available in both **7.62 and .50 cal rated models**, this self-resetting sniper target requires no batteries to maintain or springs to replace. The steel kill zone target falls backward raising a white "hit" indicator and **resetting in 1 second**, providing both visual and audible **feedback up to 1,000 meters**. The Iron Maiden is the perfect training solution for **long distance marksmanship, sniper schools, SWAT Teams, and special operations** units.
